EntraGuard Unique Differentiators

- **Finding lifecycle tracking** (New/Open/Resolved) — no competitor does this
- **License-aware recommendations** — detects paid but unused Microsoft SKU capabilities
- **Per-finding PDF export** — dedicated PDF per finding with remediation steps
- **Zero Trust scoring (3 pillars)** — Verify Explicitly, Least Privilege, Assume Breach
- **One-liner install + Docker** — deployed in 2 minutes, runs anywhere
- **34 Microsoft SKUs mapped** — most comprehensive SKU→feature mapping
- **Transparent pricing** — €179/year Standard, €449/year Enterprise (19x cheaper than PingCastle Pro)
- **Power BI connector** — native REST API for BI dashboards
- **ITSM integration** — ServiceNow + Jira ticket creation from findings
- **Auto-remediation with dry-run** — preview Graph API changes before applying
